What can you do at home?

We would love to see any photos of these activities on Dojo 😊

Can you take a selfie with your family?

What numbers can you see in the environment when you are out and about with your family?

What sounds can hear in your house? Ask your grown-ups to write a list.

Can you challenge yourself to take off/put on your own jumper and cardigan by yourself?

Can you practise using a knife and fork to eat your dinner independently?

Can you describe some of your new school friends to your grown-ups? Can you remember their names?

Things to Remember:

We will be sending home packs of flash cards with the sounds that your children have learnt so far in phonics. These will come home on a Friday and need to be returned to school each Thursday so that we can add the new sounds taught that week.

Please practise these and/or read **at least** 3 times a week and send us a message on Dojo to let us know each time you have practised.

We love to see what learning your child is doing at home too, so please use Dojo to show us. You can upload to the children's portfolios or send us a picture. A picture and short comment is fine!
